

Mr. Suman Barua - SRG Welfare Society Bangladesh

Honourable Chairperson, respected delegates and representatives of the minorities, ethnic people and [...] communities of different countries and distinguished guests and friends. My organisation SRG Welfare Society have been engaged in educating the minority people of Bangladesh since 1985.

In my previous participation in the [...] even here in Geneva I give plausible information on the condition of the ethnic minority people of Bangladesh. However, to [require] more detailed information on the past and present circumstances of the ethnic minority and indigenous people of Bangladesh; Investigate today advice international organisation under UN in particular [we necessary]. We will corporate with the international organisation in this regards always.

Honourable Chairperson, I am noting the points for your consideration. Number one: education has already become inseparable for the minorities and indigenous people. Number two: the Chittagong Hill Tracks region in Bangladesh the ethnic minority and indigenous people demand [all filing] school for the hour in local/tribal language as medium of instruction. Number three: those who are also close to the students of the minority communities for higher studies and scholarships in world grated by foreign institution, government, agents in many countries and other associations. Number four: because of the lack of specialist education in IT and other sectors of jobs are being denied to the candidates of the minorities. Thank you chairperson.
