

Committee for Defending Religious and Ethnic Groups in Iraq

The international day to save Sinjar

Ladies and Gentlemen,

It is already known by the international community what happened and is happening in Singar (Kurdistan - Iraq) of extermination and ethnic cleansing and religious crimes as well as crimes against humanity, war crimes and hateful siege on thousands of refugee families out in the cold Jebel Singar to escape from the oppression of a criminal is the ugliest in the history of mankind The ISIS Islamic State of Terror.

Due to the magnitude of the humanitarian needs of the largest of the federal of Iraq and provincial Kurdistan Regional government power and for the fulfillment of filling those urgent demands with a view to saving the children and being Singar of the disastrous effects of such crimes, we call this appeal for the selection of the ninth day of December 2014, The day of worldwide solidarity UN hoped with the people of Singar and their demands and seek to provide their needs urgent humanitarian more effective manner; insurance for the protection and safe means to live and cut the road to the ISIS terrorist threats to them.

As we call our call this, we take into account all the votes humanitarian appeals keen on this goal and we assure our part to adopt all initiatives that fall in this hopefully direction to take place in the light of the mobilization of all energies institutional manner large Association, thankful for all the efforts initiated in the same direction appreciate your cooperation with us and accepting our content of this appeal.

The choice of this day of solidarity with the Singar includes orientation towards the advancement of the following:

Committee for Defending Religious and Ethnic Groups in Iraq

- **detect current facts comprehensive and clearer manner and the level of global wider.**
- **seek to unite international efforts to provide urgent humanitarian needs of Food, medicine and clothing.**
- **seek to deliver means harboring suitable Tents and caravans especially in harsh environmental conditions.**
- **speed the delivery of protection forces to ward off serious threats from the forces of ISIS terrorism.**
- **seek to provide safe corridors for them out of ISIS terrorist captured areas especially in Mount Singar.**
- **to provide an information base for linking families separated in different shelters displacement.**
 - **tracing and treatment of kidnapping cases and capturing. This global day as today focuses on the immediate urgent needs and unites efforts and make this central skeleton top national and international, it will remain a tool for follow-up activities that continue to save this mass of victims of crimes groups tasks and which later will appear on the other major social and psychological problems and crises variety.**

We are confident that all honorable people will recognize this appeal will promote everyone to arrange appropriate activities of mass demonstrations and to stop symbolic and dissemination of memoranda and petitions that transmits all the demands contained in the appeal and reaching to the relevant international organizations in order to turn it into reality if the appropriate timeframe.
