Speech at the Forum on Minority Issues, minorities in Bangladesh

Minorities in Bangladesh are subjected to dangerous incidents of rape, murder and ethnic cleansing. The most dangerous situation in this situation is the support of the government of Hasina in the radical line, terrorist groups affiliated with ISIS, Jamaat al-Islam and the Muslim Brotherhood.

Bangladesh minorities need the protection of the international community against the radical

government, a government that is not satisfied with just suppressing minorities, it oppresses the opposition in the country, only in the last two weeks, about 15,000 people have been Arrested by the radical regime, senior political activists detained for two and three years without trial such as Aslam Chowdhury and mitol Chowdhury.

Khaleda Zia, head of the BNP party, was sentenced to 8 years because she is opposing of the regime.

Look at the pictures of the murdered Hindus in Bangladesh, the raped girls and their bodies divided into parts, how the human conscience
