

Permanent Mission of Azerbaijan – right of reply 2

Just to make the second right of reply because the Armenian delegation again misused this platform. We would like to briefly state that, unlike Armenia, there a lot of minorities living in Azerbaijan, and they exercise their fundamental human rights. We have schools, we have a lot of minorities.

But I would like to ask one question to [the] Armenian delegate: If Azerbaijan is such a country that pursues ethnic hatred but we have a lot of minorities that live in our country but there is not any single Azerbaijani living in Armenia; there is not any single trace of Azerbaijanis that used to live in Armenia, the number of which has been more than 200,000 until the time of the 1970's. Thank you very much.
