

Speaker: Thank you Mr. Chairman. I am representing over 35 million South Azerbaijani Turks who have been victims of physical, linguistic genocide and ecocide. While us Azerbaijani Turks make up 40% of Iran's population, we are still victims of her double standard treatment by the time of her [inaudible] or of the present time of Islamic of Iran. Iranian regime has enforced just a single Persian language. [POINT OF ORDER] I am also strongly the authorizing systematically using [inaudible] lake as an act of genocide and [inaudible] response is colonialization and invasion. Consequences of this Ecocide, over 15 million mass immigration of people resulting on lake side and destroying any chance of agriculture, increasing [inaudible] of respiratory disease. [inaudible]. I would like to give condolences to nearly 400 defenseless people, especially brave ladies...[inaudible] who were brutally killed by Iranian regime in peaceful demonstrations demanding their basic right. Iranian regime has used enormous heavy arms with brutality and stop sharing news by full internal shutdown until now. According to United Nations forum. [POINT OF ORDER] According to United Nations 40,000 people have been arrested in the September uprising. We are suffering and are looking to the United Nations and all other countries to support to achieve our self determination which is the greatest human right. And enjoying same as the other states.
