

The Baluch Right

The Baluch people in Iran face ongoing repression and exploitation within the state. Baluch represent only 6% of Iran's population, yet they account for 17% of the executions in 2024 on false charges. The Iranian regime has accused and executed the Baluch. These actions can be classified as an atrocity, if not a genocide, and warrant investigation by the United Nations. Despite not facing a threat of invasion from Pakistan, [inaudible] forces mine the border in [inaudible], which has resulted in the injury of innocent people. [POINT OF ORDER BY IRAN, CHINA] State territorial integrity is not and should not be unconditional, when that state is disregarding human life.
